Malabar Collector's Office
Calicut 23^d March 1876.

From

W. Logan Esquire,
Acting Collector of Malabar.

To

D. F. Carmichael Esquire,
Secretary to Government
Revenue Department -
Madras.

Sir,

I have the honor to bring to the notice of Government that there have been certain retrenchments made by the Pay Examiner Madras in connection with the Rice money paid to the deceased Military Pensioner noted in the margin.

2. There were four retrenchments against the deceased, but they were received not only after the Pensioner's demise but also long after the arrears due to the deceased had been paid to his legal heirs.

3. The Pensioner died on the 27th August 1874 while the first retrenchment order was only received in November 1874 i.e. two months after his heirs had drawn the arrears. The other retrenchments came in subsequently viz in February, May and June 1875.

4. The deceased had been drawing his Rice money ever since he was pensioned and there had been no previous retrenchments of any kind against him. Had the first retrenchment order been received soon after the submission of the 1st or 2^d abstract, the sum could have been easily recovered and the necessity for all further retrenchments avoided.
