Proceedings of the Board of Revenue 1
Dated 30 March 1876.

Read the following
No. 32.
From The Temporary Deputy Collector
of South Arcot.
To The Collector of South Arcot.
Sir,

With reference to the Telegram from the Board of Revenue to your copy of which reached me presently, I deeply regret to express my inability to bring to a close the works of this office by the end of March or within 15 days more. I have not yet got from the Tahildar of Chedambaram statements for lands connected with the alteration of the line near Vellar. There are various other works to be still done besides the distribution of compensation in numerous cases in the different Taluqs. I have employed 2 of my Clerks at Cuddalore in preparing the various statements and returns due long ago. I do not expect that they will be finished within March.

However I will do the best in my power

to close the works of this office with all possible speed.
