No. 111.

Madras
Deputy Conservator's Office
11th March 1876.

From,

The Deputy Conservator of Forests,
Madras.

To, The Conservator of Forests,
Madras.

Sir,

With reference to the transfer of Rs. 500 from I. a. to I. b. ordered in paragraph 2 of your letter to the Collector No. 100 dated 27th January last, I have the honor to point out that the transfer cannot be made as there will only be a saving of about Rs. 140 under that head.

2. Under heading I. a. there appears to be a saving of Rs. 764 because not expended up to 31st January last.

In this month however there is a claim of Rs. 484 which has to be met. I was unable to adjust the claim before until satisfied by a certificate from the Civil Court as to the heirship of the claimant.

3. Soondram Pillay and Abishegam Pillay contracted to supply

Supply the Department with timber. Before their claim could be adjusted the former died and to protect myself his son was required to produce a Certificate of Heirship from the Civil Court. He has now produced the Certificate and I am bound to adjust the claims of the parties.

4. Besides another sum of about Rs: 140 has to be expended during the month on account of pay of Depot Establishments.

4. I beg to point out that the transfer however can be made as follows:-

From Ia. Timber - - -	Rs: 140.
" I. 2b Firewood & charcoal -	100
" IX For timber & wood operations. }	260
	<u>Rs. 500</u>

As I have to make the adjustments before the close of the official year I have, to avoid delay, addressed this direct to you and request you will kindly communicate your sanction by return of post.

I have the honor to be,
 Sir, J. H. Brougham,
 Dy. Conservator.
