No. 875.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 30th March 1876.

1 the following letter from H. SEWELL, Esq., Acting Collector of Trichinopoly, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 29th February 1876, No. 40:—

THE Deputy Tahsildar of Lalgudi having removed his office to the new buildings provided for him, the old Taluq Catcherry where the said office had until been held has become vacant; but the Police who occupied a portion of it station-house continue in occupation. The old Taluq Catcherry is considered by the Police to be best suited for station-house, and to have decided advantages in the accommodation provided for them in the new Catcherry, in consequence of being more spacious and more central; and the Superintendent of Police accordingly requested me to make it over to him formally in order that necessaries alterations may be made.

I have therefore the honor to request that sanction may be obtained for making it over to the Police Department.

Submitted for the orders of Government.

The building is not required for the Revenue Department, but it is a question whether, when accommodation has been specially provided for the Police in the new Catcherry, the old building should not be otherwise disposed of, so as to save Government from further expenditure in connection with it.
