Proceedings of the Board of Revenue
Dated 8th April 1876.

Read Proceedings of the Madras Government, Revenue Department, dated 3rd instant, by recording Board's Proceedings reporting that there is no immediate necessity to put in hand the relief works in North Arcot District, but requesting the collector to expedite the transmission of the list of works & directing all other collectors to do the same, whose districts have been reported as likely to suffer from the failure of the north-east monsoon.

Communicated to the collectors of the Districts marginally noted, who will with as little delay as possible submit lists of the relief works which they propose for execution, should necessity arise.
