times before the Board, in connection
with his appointment as acting
Sheristadar, and as acting
Sheristadar on several occasions.
He has served for years, in grades
qualifying for the post of Tahsildar
and is also well known to the
and I believe also to the members
of the Board. I do not therefore
enclose his testimonials or service
Register.

3. The only objection known
to his appointment as acting Tahsildar
is that he has not passed the
Special Test in Criminal Law
required to be passed on appointment
to the office of Tahsildar.

He has passed the other requisite
with higher grade tests marginally noted, and considering
his long service - the length of his service (20 years),
the important and laborious offices
he has held which have left him
no leisure to pass examinations, and
the fact that his junior in the
office, Raja Ram Ramo was on
similar grounds exempted from his
and that this disqualification did
not prevent Ramanjulu's appointment
the other day to act as Deputy Collector,
I am sanguine that Government
will be good enough to exempt him
from passing any further tests. I

Tolung in anticipation of sanction,
as soon as the Acting Sub Collector
can spare his services.

4. I may mention that if
Government are not prepared to
accede to my request to exempt
Romanjulu from passing any further
tests, I have really no one else
whom I could with any confidence
nominate to this short Acting Appoint-
ment. On public grounds, therefore,
and not merely as a concession to
an individual, I request this relaxation
of the rules.
