Miscellaneous No 11193.

Proceedings of the Board of Revenue
Dated 21st December 1875

Read the following:-

No 506

From

J. H. Garsins Esq
Collector of
South Arcot

To

H. E. Stokes Esq
Acting Secretary to the
Board of Revenue
Madras

Sir

As directed in Government
Order 23rd March 1874
No 486 Communicated with
Board's Proceedings of the
9th April following No 2382
I have the honor to forward

Dated 14th April 1876 No 167
Copy of a letter from the
Head

Head Assistant Collector
reporting on the expenditure
out of the sum of Rs 200
sanctioned for 1874-75 for
the removal of vegetation
in the Gungi Fort, and to
state that Shamsuddin
visited the locality and
have directed the Sub
Magistrate to restore a
bridge which once gave easy
access to the Citadel on
the summit of the hill.
2. In its absence the task
of sealing the walls is an
exceedingly troublesome one.
3. As suggested by the Head
Assistant the District Super-
visor has been requested
to direct the Range Officer
to advise the Sub Magistrate
how

best to expend the an-
nual allotment of Rs 200
in keeping down vegetable
growth among the ruins.

South Arcot I have &c
Collector's Office
(assured) 25 November 1876
J. H. Garstin
Collector

No 167

From

Charles Hough Esquire
Acting District Collector
of South Arcot

To J. H. Garstin Esquire
Collector of
South Arcot

Sir,

In reply to your letter
No 269 dated the 12th ultimo
I have the honor to report
that during the official
year 1874-75 Rupees 102-8-
were expended by the Deputy
Tahsildar

Tahildar. of Gingee in in-
dicating Banyan roots, and
mark of similar nature
in the Gingee Fort.

2. I have been unable to visit the Park recently and so cannot express any opinion as to the efficacy of what has been done.

The reason there remains
an unexpended balance
is, that Mr. Cox stopped
work during the rainy
season.

3. I have before expressed
an opinion as to the effect
that it would be well
if the officer deputed
to expend the grant
had occasionally the
benefit.

benefit of professional ad-
vice as to its administra-
tion.
