Proceedings of the Board of Revenue

Dated 19 April 1876.

By D. Leman Esquire
Collector of Rishna District

To

C. B. Walton Esquire

By Secretary to the Board of Revenue
Madras.

Sir,

At the time of demarcation the lands
all round the village of Shina Palakaluru in
Guntur Taluk having been classed as culti-
vable, the Revenue Settlement Department
assessed it, and it was included in the Puttas
of the Ryots. No paths for the use of the
public have been marked out.

2. The villagers now complain that the
Puttadars are obstructing them to go through
the land in their occupation and therefore
pray that foot paths may be marked out
through demarcation Nos 143, 124, 1133. (The
entire)

extent required for the purpose is 62 cents bearing
an assessment of Rs 12-7. The Puttadars are
willing to give up this, if they are exempted from
the payment of assessment thereon. The Sub
Collector reports that these paths are very
necessary and that their want is greatly
felt.

3. I have therefore the honor to request that
you will obtain sanction for me to deduct
this extent from the Ryots' puttas and to
transfer the same to land reserved for
public purposes.
