To,

Sir,

Fort Saint George

The Deputy Collector on General duties in this District having on the 2nd December last submitted to me an application for a retiring Pension of Rupees 250 a month under Section 58 of the Civil Pension Code to commence from the 1st June 1876, as he will on that date have served on the pension grade for 30 years 2 months and 22 days, Syalu Naidus' service Register was forwarded to the Accountant General for verification, and that officer has in his communication of the 18th January last informed me that Syalu Naidus' services as detailed in the Register of application submitted by him have been duly proved from the records of his office, but that the application could not

be submitted to Government before the applicant
actually retires from service. I beg therefore now
to request that Government will be pleased to
permit Sigalos haidu to retire from the service
on the 1st June next, and that they will likewise
be pleased to make the necessary arrangement
to relieve him on the date in question.
