No. 1. Read the following Proceedings of the Board of Revenue, dated 16th November 1876, No. 2,841 :—

Read again letter from the Collector of Chingleput, dated 2nd September 1876, No. 494, recorded in Board's Proceedings, dated 21st September 1876, Miscellaneous No. 8,265.

Read also the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 9th October 1876, No. 570 :—

REFERRING to Board's Miscellaneous No. 8,265, dated 27th ultimo, I have the honor to state that the compensation to the Muttadar for the loss of the waste land therein referred to having been settled prior to the receipt of the Board's Proceedings, No. 559, of the 25th February last, the rule therein contained could not be applied to the same.

2. If applied the reduction in the peishcush would be Annas 10-9, the land being reported as likely to be brought under the plough within two years from the date of acquisition.

In the first of these letters the Collector requests sanction for reduction in the peishcush of the Mambolam Mutt in the Sydapet Taluq from Fasli 1286 of Rupees 29-0-11, being the assessment of lands in that estate taken up for the Northern Extension of the Carnatic Railway as shown below :—

	AC. D.	RS. A. P.
1. Dry land cultivated inclusive of house sites, &c.	0 90½	= 1 13 3
2. Wet do. do.	6 88	= 24 6 11
3. Pagoda Inams taken up for which Muttadar has consented to give fresh lands in his estate	0 73	= 2 0 8
		28 4 10
4. Cultivable waste	0 27	= 0 12 1

2. The Collector also requests sanction for payment of Rupees 59-4-0 on account of loss of crop for past Faslis 1284 and 1285, Rupees 28-4-10 to be refunded to the Muttadar and the remainder, Rupees 30-15-2, to be written off in the accounts from the arrears of peishcush, &c., due by the Muttadar.

3. In the second letter the Collector reports that the waste land, Item No. 4 above, is likely to be cultivated within two years, and that the proportionate assessment to be deducted on that account, as per G.O., 7th January 1876, No. 18, Board's Proceedings, 25th February 1876, No. 559, is Annas 10-9.

4. The lands in this case were taken up in Fasli 1283. The Muttadar collected his rents for that year. He is therefore entitled to loss of crop for Faslis 1284 and 1285 and for reduction in the peishcush from Fasli 1286 of the value of the land taken up.

5. The sanction of Government is therefore requested for the reduction in the peishcush of the Mambolam Mutt of Rs. 28-4-10, being the assessment of the Items Nos. 1, 2 and 3 noted above, plus Annas 10-9 the proportionate deduction on account of the waste land, Item No. 4, amounting on the whole to Rupees 28-15-7, and also for the refund of Rupees 28-4-10 and the writing off in the accounts of Rupees 30-15-2 as recommended by the Collector.

6. It is observed that the assessment of the Pagoda Inams taken up has to be paid by the Muttadar to the Trustees of the Pagoda from Fasli 1284 till fresh land is assigned if not already made over. The present peisheush of the estate is Rupees 2,191-11-3. The future peisheush will be Rupees 2,162-11-8.

Board & the reduction.

The rates of aseptiment -
fixed on such description of land
taken up, have been arrived at
after careful consideration and
scrutiny of the Mutthadai accounts,
and are in my opinion, moderate,
considering that the lands are si-
tuated in close proximity to
Madras.

I also request the sanction
of the Board for the payment
of a money compensation of Ru-
pees 28-4-10, being the loss
of Melwarum sustained by the
Mutthadai in Fusli 1284, and
to write off the accounts the
sum

sum of Rs. 30-15-2; being the pro-
-portionate areas of Perushuk and

From.

C. Venkatesiah

Deputy Collector, Ching (Spoken) District

To.

R. W. Barlow Esq

Collector, Ching (Spoken) District

Sir,

I have the honor to submit
an abstract statement showing the
area of land taken up by Government
for banks and cuttings for main line
of the South Indian Railway North
-ern Extension in the Gummudary
village of Mambalam, in Sandapet
Taluk, and the amount of reduction
to be made from the Peishchuk of
that estate as compensation for the
loss of Milwaram from those lands.

As will be seen from
2.
the above statement, the total area of
land

land taken up is Acres 9.14 Viz.

	Acres	0
1. Premise land to which the Zemindar has no claim for compensation	"	35½
2. Wet culturable waste land	"	27
3. Wet Pagoda Inam lands in lieu of which the Zemindar has agreed to give lands from his estate for fresh assignments	"	73
4. Wet Puttah lands	6	58
5. Dry ——— Do ——— house sites & backyards	7	58
	"	90½
	9	14

3. The Zemindar applies for reduction of Peshkash for items 2, 3, 4 & 5. He says that his village was Cyraished by Government in Fasli 1250 or 35 years ago, that the rent from his tenants was collected in kind up to Fasli 1263, but that his late father Venkatarajava Reddy classified all the lands in Fasli 1264, and fixed a ready money rent with reference to the nature of the soil, and that money rent has ever since been collected. The area of land taken up under each class

class with the amount of rent according to the Zemindar's rates is shown below:-

Description of Land	Class	Rate of Rent per Acre	Area	Assessment
			Acres	Rs. Annas Pies
Dry House sites, backyards, and puttah lands	3	12	41½	1 2 8
Dry Puttah land	1	12	48	10 3
Do Do cultivated with wet crops by tank water	2	10	61	1 4
			90½	1 13 3
	1st	8 12	36	2 6 2
	2nd	7 14	1 06	6 5 2
	3rd	6 2	75	3 7 8
Wet Puttah land	4th	4 6	2 17	7 3 3
	5th	2 10	2 54	8 1 8
			6 88	24 6 11
Wet Cusi Vivvanathaswamyam & Audica-sa Perumalli Inam lands in lieu of which the Zemindar has agreed to give fresh land for assignments from his waste	3	11	73	2 0 8
			8 51½	29 4 10
			3 11	27 12 1
Wet culturable waste			8 78½	29 11 11

4. The lands were taken up in October 1873 or at the beginning of the cultivating season of Fasli 1283, but as the Zemindar's Jayaradar collected rents from his Ryots for that Fasli, the Zemindar is entitled to compensation

compensation for the loss of his Incl.
 swarans only from Fasli 1284 as
 will be seen from the enclosed Byggeth
 given by him.

5. This estate constitutes ^{allambalam}
 the marginally noted 4 villages, and ^{Peekoondram}
 the Peishensh as it is Rs 2,91-11-3. ^{Theroomangalam}
 The amount of assessment to be
 deducted from the demand of
 Fasli 1286 is Rs 29-11 as detailed
 in para 3. For the previous Faslies,
 namely 1284 & 1285, a sum of Rs 59-4-0
 has to be compensated as shown below

Fasli	Assessment	Road fund at 9 pie for Rupee	Total	Amount to be re- -bursed	Amount to be written off the accounts from the ar- -rears of Peish- -ensh & Road All
1284	28 4 10	1 5 2	29 10 0	28 4 10	1 5 2
1285	28 4 10	1 5 2	29 10 0	" " "	29 10 0
Total	56 9 8	2 10 4	59 4 0	28 4 10	30 15 2

It will appear from
 the accompanying memo received
 from

from the Tahsildar, that the amount
 of Peishensh due for Fasli 1284 has
 been paid in full, consequently the
 amount of assessment for that
 year on the lands taken up should
 be refunded to the Zaminadar, while
 the amount due for Fasli 1285
 should be written off the accounts
 from the arrears outstanding
 against him.

As already stated,
 the Zaminadar has agreed to give
 lands of equal value from his co-
 -tate for fresh assignments in
 lieu of Audica savaperimal and
 Cesi Visvanathaswamiyar's Pagoda
 Inam lands on condition of making
 a reduction of assessment from
 the Peishensh.
