Proceedings of the Board of Revenue
dated 28 December 1876.

Read the following

N^o 658

From J. D. B. Gribble Esq^r
Ag. Sub-Collector of Cuddapah
To J. R. Daniel Esq^r
Ag. Collector of Cuddapah

Sir,
Mr. Swan who has been
appointed on special duty in con-

no w (the one he formerly had having broken
down). He has asked me if an advance
cannot be made to him to meet this
expenditure. I am inclined to support his
application, for his pay is small, and he
has been put to sudden heavy expenditure.
I therefore beg to recommend that an
advance be made to him of Rs. 300, which
if Government consider necessary could
be recovered by instalments of Rs. 25 per
month as long as he is employed on
this special work or until the advance
is repaid.

I would not recommend the
instalments being continued after he returns
to

to his ordinary duties as his pay (Rs. 215)
is but very small, but the present
distress will I fear continue long
enough to allow of the whole or
nearly the whole of the advance being
recovered.
