Famine Relief.

No. 308. Read the following Proceedings of the Board of Revenue, dated 3rd March 1877, No. 1,009 :—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Royachoty, 14th February 1877, Extra No. 107.

I HAVE the honor, with reference to the Proceedings of the Board, dated 2nd instant, to state that I learn from the District Engineer that there are no matured irrigation projects in this district which have been submitted to Government and have not yet received sanction.

IF there are any sanctioned estimates in abeyance for want of funds, the Collector should arrange for the works being taken up for famine relief. Large numbers of estimates for irrigation works in Cuddapah have recently been passed by Government, and lists of sanctions in past years have been communicated to the Collector.

RECORDED. Separate orders relative to sending able-bodied laborers from the Ceded Districts to the East Coast Canal will shortly issue, and the Collector should meanwhile not open fresh works which may check the flow of such labor to the canal.
