3. I have not up to now placed the village officers in funds for the purpose of feeding the poor, for I did not think it necessary. I will at once do so. Rs. 2 per village will suffice.

4. The order about the feeding of famishing travellers has been published frequently.

5. I do not think that the number fed will be great, and am of opinion that the appointment of a special officer to take charge of the supervision of the expenditure is not at present necessary ; it can be done by the Tahsildar and his subordinates for the present. Should, however, the expenditure become excessive, it will of course have [illegible]
