Proceedings of the Madras Government, Revenue Department,
12th March 1877.

No. 371. Read the following Proceedings of the Board of Revenue, dated 5th March 1877, No. 1,031 :—

Read the following letter H. SEWELL, Esq., Acting Collector of Trichinopoly, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 24th February 1877, No. 62.

In the Board's Proceedings, dated 6th instant, No. 509, it is stated that dry remission is sanctioned for the three tracts lying to the south of the Pullambadi parts in the centre of Kulitalai and Museri Taluqs and in the north-east and north-west portions of Perambalur and Udayarpalaiyam Taluqs, respectively, and in the northern portion (Thachankurichi Maganam) of Trichinopoly Taluq, where the failure of dry crops had been nearly as bad as in three tracts* meant by the Board. The Divisional Officers have since written to me on the necessity there exists for dry remission in those parts. I myself have visited some parts of those tracts and agree with the Divisional Officers that dry remission should be granted there also. I have therefore to request Board's sanction for dry remission not exceeding 50 per cent. to such parts also of the other taluqs where the ryots deserve such indulgence from entire failure of crops.

* Iluppur and Tavagudi Maganams of Trichinopoly Taluq and Manaparai, parts of Kulitalai Taluq.

The Board will extend the concession to the tracts named on the understanding that claims are strictly scrutinized and that lands which have borne one crop are charged in full. The Collector should instruct the settling officers that no more than half has been a quarter crop or more.
