No. 373A. Read the following Proceedings of the Board of Revenue, dated 7th March 1877, No. 1,064 :—

Read the following letter from Messrs. ARBUTHNOT and CO., to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Madras, 27th February 1877.

We have the honor to acknowledge the receipt of a copy of the Board's Proceedings, dated 24th instant.

2. We would like to be furnished with the marks of the rice alleged to be damaged and inferior in order that we might, if possible, trace the particular shipments from which the bags came.

3. At the same time we cannot understand how any sea-damaged rice could be sent up-country, seeing that not only we but the Municipal authorities decline to receive on shore any rice showing signs of such damage.

4. With reference to the bags said to contain "half paddy," we cannot help thinking there must be some mistake. A slight admixture of paddy is inevitable in the cheaper kinds of rice, but we have never seen any thing like the proportion complained of. If possible, we would like to have samples of the rice sent us along with the marks on the bags.

COMMUNICATED to the Collector of Bellary and the Government Grain Agent with request that the particulars asked for may be furnished to Messrs. Arbuthnot and Co.
