Proceedings of the Madras Government, Revenue Department,
12th March 1877.

Famine Relief.

No. 380. Read the following Proceedings of the Board of Revenue, dated 6th March 1877, No. 1,056:—

Read the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 28th February 1877, No. 139.

Referring to the Government Official Memorandum, dated the 15th instant, I have the honor to state that I do not at present require the services of any of the Superintendents or Maistries therein referred to for employment on relief works in this district; but I beg to forward, for the information of the Board, copy of a letter, dated the 22nd idem, No. 132, from the Acting Sub-Collector on this subject, and requesting that an European Covenanted or Uncovenanted Assistant may be appointed to assist him.

2. As no such officer is, I believe, available, I propose to attach the Assistant Collector, Mr. Thompson, temporarily to the Sub-division, and to arrange to be at head-quarters myself, at least one day a week, to give out money, &c., to the Treasury Deputy Collector.

Enclosure No. 1.

From S. T. McCARTHY, Esq., Acting Sub-Collector, to R. W. BARLOW, Esq., Collector of Chingleput, dated 22nd February 1877, No. 132.

In reply to your foot-note of the 20th instant, No. 478, to Official Memorandum from the Addl. Asst. Collector, the six Europeans and Eurasians, who are therein referred to, I am unable to state what rates of pay should be given to them. I take this opportunity to observe that what I want are not so much Overseers or Supervisors, but an *European Assistant* (either Covenanted or Uncovenanted) to relieve me of a portion of the famine work in this division, say in one taluq. I feel the want of such an assistant more and more every day. There is, as you are aware, no slight amount of distress in those three taluqs and many relief works are going on. The Jamabundy will commence soon; and, while occupied at this business in one taluq, I cannot very easily look after relief works in the others. I do not mean to grumble at the amount of work I have to do, but will do my best to get through it as well as I can; but I think, from what you know of the state of things in this division, you will agree with me that I want some aid.

(True Copy.)

(Signed) R. W. BARLOW,
Collector.

The Collector's proposal is approved as a temporary arrangement, but the Board submit to Government that it would be better that a special officer should be sent to the district, and that the Collector's Assistant should be left to him.
