No. 347. Military Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George; dated India Office, London, 4th January 1877, No. 3.

With reference to my despatch, No. 69, dated 21st October 1875, I have to inform you that I have received through the Secretary of State for the Colonies an application from Captain Campbell Walker, of the Madras Staff Corps, asking for a re-consideration of the question of his being permitted to reckon the time during which he is employed in investigating the subject of the conservation of State Forests in New Zealand as service for pension.

2. I have recently had under my consideration in Council the conditions under which officers of the Indian Staff Corps and Local Service may be permitted, when demand is made from proper quarters, to give their services beyond Indian limits, and have conveyed to the Government of India, in a despatch, dated 30th November 1876, the decision which I have arrived at upon the subject.

3. I now forward for your information a copy of that despatch, and I authorize you to apply the principles laid down in paragraph 8 thereof, subject to the limitation referred to in Section B, to the case of Captain Walker, should that officer desire it.
