Proceedings of the Madras Government, Revenue Department,
12th March 1877.

Famine Relief.

No. 390. Read the following Proceedings of the Board of Revenue, dated 6th March 1877, No. 1,053 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 28th February 1877, No. 142.

In the evening papers of the 22nd instant I observed, in an extract from a report of the Government of India to the India Office, dated the 16th idem, the following passage :—

"We do not overlook the statement which appears to have been made to Sir Richard Temple by the Collector of Chingleput, and to which we have already alluded, that much of the arrears due on the dry-crop lands may be realized next year if the seasons are favorable."

2. I made no such statement to Sir Richard Temple, and I am unable to conjecture on what words of mine his misapprehension—for such it is—was based. The idea of *suspending* collections of dry assessment till next year was never entertained by me, and I have already strongly recommended to the Board the absolute *remission* this season of all assessment for dry lands left waste, or on which the crops have withered.
