From A. J. Stuart Esq.

To H. Stokes Esquire
Secretary to the Board of Revenue
Madras.

Sir, I have the honor to request that the Board will obtain sanction for the temporary Salt guard, as detailed below of the same strength as in the present year but to be entertained from the 1st February to the end of September, instead of from 1st March to the end of October.

2. The season being particularly dry will enable me to begin early, and finish earlier than in the current year, a great advantage as it allows of the salt last manufactured having plenty of time to dry before being stored, and diminishes the wastage. The manufacture should go on throughout the 8 months as the demands for Tinnevelly salt are increasing
