To
The Chief Secretary to the
Government of Madras.

Fmt. Depart. Sir,

I am desired to acknowledge the receipt of the Correspondence ending with your letter No. 1202 dated 31st August 1876, soliciting Confirmation of the order passed by the Government of Madras No. 1656 dated 17th November 1876 stating that when there is no question of promotion or change of Appointment but merely a transfer from one field of duty to another in the public interests, the rule for travelling allowances beyond the original district should for Officers of the Survey Settlement and Police Departments, be precisely the same as for travelling within it.—

2 In reply I am to say that as no public officer gets his bonâ fide travelling allowances or expenses for the Conveyance of

of his tents and horses on the occasion of transfer from one station to another, the Governor General in Council is anxious to maintain this General Rule in all Cases of change of field of duty from one district to another, and is not prepared to sanction any modification of it in favor of officers of the Survey, Settlement and Police Departments in Madras.—

3 But in Cases in which an officer is ordered by Government to proceed to take up an Appointment at a distance and to proceed to it by Sea, if he can satisfactorily that he cannot send his tents and horses otherwise than by Rail or Steamer, the Local Government may in such Cases allow bonâ fide cost of transmission in addition to usual travelling allowance, but a special sanction in each Case should be necessary—

4. The Charges incurred by Capt^n Franklyn and Colonel Arbuthnot may be admitted as a special Case, if the Government of Madras are of opinion that the conveyance of these

these officers tents and horses on the occasion which has given rise to this reference was requisite in the interests of the public Service.—

Financial Depart. Sir,

I am directed to acknowledge the receipt of the correspondence ending with your letter No 1202 dated 31st August 1876, in which the Governor General in Council is asked to confirm an order passed by the Government of Madras No 1656 dated 17th November 1875, that the travelling allowances of an Officer belonging to the Survey Settlement or Police Department, who is ordered to another District without promotion, should be precisely the same as he would draw for a journey within his District or jurisdiction.

2. In reply, I am to state that his actual travelling expenses are not admissible to an Officer transferred from one station to another and that it is important that no precedent should be afforded for any innovation in this respect.

3. But if an officer is ordered to proceed to a distant station so quickly that he is obliged to send his tents and horses

horses by rail or steamer, the Governor General in Council has no objection to the Local Government allowing him by a special order to recover the actual cost of their carriage in addition to his authorized travelling allowances.

4. The charges incurred by Captain Francklyn and Coll Keessy may be admitted as a special case, if the Government of Madras are of opinion that the conveyance of these officers' tents and horses on the occasion which has given rise to this reference was requisite in the interests of the public service.
