PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

Dated 23rd February 1877 No 682

The attention of the Governor in Council is again drawn to the large accumulation of grain at Madras and which appears to be increasing. Extended arrangements appear to be necessary for the despatch of grain from Madras to the interior.

2. The Consulting Engineer is requested at once to communicate with the Managers of the Madras Railway with a view to considering whether arrangements cannot be advantageously made for apportioning the engine power somewhat differently between Madras and Bellary so as to allow larger quantities

quantities to be cleared from
Madras.

And the Governor in Council
desires also to be informed how
far the power given to the Railway
Company of giving preference
to grain traffic is availed of.
