*Proceedings of the Madras Government, Revenue Department,
12th January 1877*

No 242 Read the following Proceedings of the Board of Revenue, dated 30th December 1876, Miscellaneous No 11,540 —

Read the following letter from H S THOMAS, Esq, Collector of Tanjore, to H E STOKES, Esq, Acting Secretary to the Board of Revenue, dated Vallam, 30th November 1876, No 4,420

With reference to the Proceedings of the Board of Revenue, dated 20th May 1876, Miscellaneous No. 4,171, I have the honor to report that Mr W A Rouse, the Sea Custom Superintendent of Tranquebar, appeared for the Sea Custom Test in August last, but failed to pass it. This result is not surprising, as there were only two months before him when the Board's order, declining to support my recommendation to exempt him from passing the test and sanctioning his appointment subject to his passing it at the late examination, was communicated to him, and that during the short period he could scarcely have found time to study in addition to performing the duties connected with his office, which duties were new to him, and had also to be learnt.

2 I beg, therefore, that the Board of Revenue will be pleased to sanction his retention in the appointment until he passes the test in August 1877

SUBMITTED for the favorable consideration and orders of Government.

Acting Secretary

Sir, I have the honor to inform you
 that in filling up the vacancy

II Rouse, Sea Customs Superintendent at
 Tranquebar—Sanctioning the retention of—in
 his appointment until the result of the Special
 Lost Examine on is known

on Rupers so Mr Rouse has not passed
the test required for the post. But I
believe his experience in the Department
fits him well for the Sea Customs
Department, which specially requires
honest and careful men who can
be relied on for a set purpose to de-
tect and prevent the frauds which
are all too customary in this Depart-
ment. He is an East Indian of
respectability and good character
and a public servant of more ^{than} 19
years standing, at which age a
man is slow at going to school
again and passing examinations.

2. Under these circumstances
I have the honor to seek the sanction
of

of Government for his exemption
from passing the Sea Customs
Test.

The Board cannot support the
Collector's recommendation that
Mr Rouse should be exempted
from the Sea Customs Test. They
approve his temporary appointment,
however, confirmation being sub-
ject to his passing the Test at the
next Special Test Examination.
