Proceedings of the Madras Government, Revenue Department,
15th March 1877.

No. 494. Read the following letter from Major A. DEC. SCOTT, R.E., Acting Superintendent of Revenue Survey, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Chepauk, 5th March 1877, No. 753-32:—

Report from Mr. J. H. Merriman (to be returned).

I HAVE the honor to request sanction of Government to the acceptance by Assistant Superintendent Mr. J. H. Merriman of a commission from the Acting District Judge, Ganjam, for the settlement of a boundary dispute between Chikati and Jarada Zemindaries.

2. Mr. Merriman is engaged in the demarcation of the Jarada Zemindary boundary, and it would facilitate the completion of that work if he also performed the duty which it is proposed to impose on him.

3. Mr. Merriman reports that it will take him about a fortnight to fulfil the commission, for the expenses of which a sum of money has been paid into Court, and that he can make arrangements for the carrying on the current duties of his office during the period in question.

ENCLOSURE No. 1.

From J. H. MERRIMAN, Esq., Assistant Superintendent of Revenue Survey, in charge Ganjam Survey and Demarcation, to the Superintendent of Revenue Survey, dated Sompeta, 16th February 1876, No. 154-27.

WITH reference to the enclosed copies of correspondence with the District Judge regarding the settlement on commission of a certain boundary dispute between the Chikati and Jarada Zemindaries, I have the honor to request your permission to fulfil the commission which the Judge has given me.

2. At the time the Judge applied to me to undertake the commission I was just preparing for the demarcation of the Jarada Zemindary, and thought that by taking up the commission I should get the question settled quickly and definitely and the line demarcated off-hand.

3. I fear I was wrong in not referring the matter first to you for orders; and as I now find it will probably take me at least a fortnight to carry out the commission, I seek to remedy my former omission by applying to you to confirm the action I have taken in the matter.

4. I can make arrangements for the conduct of my current duties while employed on the inquiry.

5. You will observe that the commission must be undertaken by an European officer, and as part of the present commission is to exhibit on the plan the line ascertained by Captain Baynes in 1872, it is clearly desirable that a Survey Officer should undertake the duty.

No. 495. ORDER THEREON, 15th March 1877, No. 1,086.
