No. 496. Read the following Proceedings of the Board of Revenue, dated 9th March 1877 :—

Read the following Proceedings of the Madras Government, dated 3rd March 1877, No. 922, Revenue Department :—

ABSTRACT.—Intimating that the entire fixed annual allowance charged by Government on the land revenue of the Salem District for the payment of village servants must necessarily be deemed available for the purpose whether the year is a favorable one or the reverse.

—

THE Board respectfully beg that orders may be passed on the Collector's proposal as to the rates at which the salaries are to be paid during the current year. This is the point on which orders are really required.

2. The fixed annual contribution from Imperial revenues as well as the Village Cess are credited to Village Service *Fund*, and if the Collector had used this expression instead of Village Service Cess no misapprehension could have arisen. The salaries at the rates proposed by the Collector can be met from the fixed contribution credited to the Village Service Fund for the current year, and neither current collections nor past accumulations of Village Cess will be touched.
