Proceedings of the Madras Government, Revenue Department,
15th March 1877.

Famine Relief.

No. 508. Read the following Proceedings of the Board of Revenue, dated 10th March 1877 :—

Read the following letter from A. McC. WEBSTER, Esq., Acting Commissioner of the Nilgiris, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated C[illegible], 3rd March 1877, No. 16 :—

I HAVE the honor to request sanction for the entertainment for three months of three additional Revenue Inspectors on Rupees 30 each per mensem and six peons on Rupees 8 each. Owing to the Revenue staff of the district being so short-handed I experience the greatest difficulty in communicating with the villages and ascertaining the state of the people. I have at present two Revenue Inspectors, and their time is fully occupied with their ordinary duties. Not one Monegar in the district can read and write, and there is no District Post. In this time of scarcity it is necessary that I should have responsible officers constantly itinerating so as to keep me informed of the condition of the people.

2. If the men I apply for are sanctioned I propose to attach one to each of the two Revenue Inspectors and one to the Coonoor Deputy Tahsildar and to require these men to be constantly moving about the villages and to send me daily diaries of their proceedings. A peon will be attached to each and an additional peon given to the Deputy Tahsildar and the two permanent Revenue Inspectors to assist in carrying letters, &c., to the villages and the temporary Revenue Inspectors.

3. If the establishment of relief works in other parts of the district is hereafter necessary, and if gratuitous relief has to be given to the helpless poor in the villages, these men will be able to supervise the work.

4. I beg to enclose the usual tabular statement, the cost of the extra establishment being charged to Famine Relief.
