Proceedings of the Madras Government, Revenue Department,
15th March 1877.

Famine Relief.

No. 510. Read the following Proceedings of the Board of Revenue, dated 9th March 1877, No. 1,114:—

Read the following letter from R. DAVIDSON, Esq., Acting Collector of Kurnool, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 24th February 1877, No. 175.

With reference to paragraph 5 of Board's Proceedings, No. 276, dated 24th January 1877, I have the honor to inform you that the expenditure in grain is converted into money at five Madras measures the rupee, and not Kurnool measures as presumed by the Board. The average price was originally fixed with reference to the cost of the rice supplied by Dymes and Co., but as I have not since been informed of the rates at which Messrs. Arbuthnot and Co. supply rice to Government, the rate of conversion as originally fixed has been continued.

2. The Board's presumption as to the cause of the decrease in Ramalkota is correct. Mr. Gibson reports that the decrease in his taluq is due partly to the return of the Hyderabad coolies to their homes on the opening of relief works by the Nizam's Government, but in a great measure to the introduction of task-work and the reduction of wages.

Recorded.

2. The Collector will see from G.O., dated 16th February 1877, No. 711, that the cost of the rice supplied by Arbuthnot and Co. may be taken at Rupees 8-10-0 per bag at Madras, and the cost of carriage should be roughly estimated and added to this rate.
