No. 581. Read the following Proceedings of the Board of Revenue, dated 2nd March 1877, No. 989 :—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent of Government Farms, to H. E. FOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 3th February 1877, No. 131 :—

WITH reference to paragraph 3 of Mr. Barlow's letter printed with the Proceedings of the Board, No. 240, of the 22nd March 1877, I have the honor to observe that Mr. Barlow is under a misapprehension, thinking that I have control over the slaughter-yards on the Farm, for they are entirely under the charge of the Commissariat Department. He is also, I think, in error as to an intention to make the new slaughter-yards larger than those already existing on the Farm. I believe it is intended to kill about the same number of animals annually in the new yards as were killed in the present yards; but as the purpose only occupying with buildings is about half an acre of land, whereas the block of land offered for their use contains, I believe, about 12 acres.

Sir

With reference to
para 3 of Mr. Harlow's letter
printed with the Board's Pro.
No 240 of the 22nd January, I
have the honor to observe that
Mr. Harlow is under a misappre-
hension in thinking that I
have control over the slaughter
yards on the Farm, for they
are entirely under the charge
of the Commisariat Secy.

He is also I think error
as to an intention to make
the new slaughter yards larger
than those already existing
on the Farm. I believe it is
intended to kill about the
same number of animals an-
nually in the new yards as
were killed annually in the
present yards, but as I un-
derstand the Commisariat
Authorities, they purpose
only occupying with buildings
& yards about half an acre
of land, whereas the block
of land offered for their use
contains, I believe, about
12 acres.

For Farm's Office. I have now
