*Proceedings of the Madras Government, Revenue Department,
19th March 1877.*

No. 589. Read the following Proceedings of the Board of Revenue, dated 7th March 1877, No. 1,071 :—

Read the following letter from C. W. W. MARTIN, Esq., Acting Sub-Collector, to W. McQUHAE, Esq., Collector of Madura, dated Kullimundayam, 25th January 1877, No. 93.

I HAVE the honor to forward, for your orders, a petition from the Curnums and Nattamgars of certain villages of Pulny Taluq, requesting ready-money payments in consideration of the present scarcity and the failure of crops in the Inam lands.

2. The state of the season has been undoubtedly bad, and their maniem lands which in most cases are dry lands, have yielded them no crop.

3. I have the honor to request instructions on the subject. The petitioners render a certain amount of work annually to Government, and it seems hard that in a bad year they should get no remuneration at all.

No. 63.

SUBMITTED for orders. The expense of making money payments to village officers would be great as the crops have failed throughout the district, and it is a question whether Government can afford to comply with the request. I think those village officers who are actively employed on relief works should be paid.

MADURA,

(Signed) W. McQUHAE,
Collector.

GOVERNMENT have decided not to make payments from Relief Funds to village officers in general. Those actively employed on relief works may receive special remuneration which the Collector may fix.
