Proceedings of the Madras Government, Revenue Department,
19th March 1877.

Famine Relief.

No. 620-A. Read the following letter from L. C. PROBYN, Accountant-General, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 12th March 1877, No. 921 :—

I HAVE the honor to state that Mr. W. B. Oldham, Bengal Civil Service, presented at the Bellary Treasury the accompanying bill for his travelling expenses on joining for Famine Duty.

2. I beg to inquire whether Railway fare for the above number of horses and the other incidental charges claimed therein can be admitted in full.

3. I propose to pass, without reference, fare for two horses, but shall refer for the orders of Government each case in which an officer claims fare or passage for more than that number and items of an exceptional nature like those in the bill under reference.

No. 620-B. ORDER THEREON, 19th March 1877, No. 1,150-A.

Miscellaneous.

NEITHER the telegram from the Government of India of the 8th February, 1877 nor G.O. of the 15th February, No. 693-A, contain any limitation to the number of horses to be used by an officer coming from Bengal. Mr. Oldham brought four with him, and having been originally posted to the Kurnool District sent them *via* Gooty to Kurnool and thence to Bellary on being transferred to that district. Under these circumstances the charge of Rupees 15 for contingent expenses incurred in marching the horses from Gooty to Kurnool and afterwards to Bellary is admissible. The bill will be passed in full as submitted.
