Proceedings of the Madras Government, Revenue Department,
20th March 1877.

Famine Relief.

No. 646. Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. H. GARSTIN, Esq., Additional Secretary to Government, Madras, dated Coimbatore, 14th March 1877, No. 45:—

I HAVE the honor to state that an increase of 347 distressed persons in the taluq of Oodumulpettah is ascribed by my Special Assistant Mr. Cook to persons coming from the adjoining Pulney Taluq of Madura.

2. As it is with some trouble I am able to find work for the distressed of my own district, I would, while content to do the best for all comers, respectfully suggest, for the consideration of Government, as to whether it would not be advisable that the Collector of Madura should provide works for the people of his own district. I have no large works for which numerous bodies of men are required, and, although it is the same to Government in whatever district the relief is granted, yet the movement of people from their homes, and crowding to other places, where accommodation must be limited, is not good in a sanitary point of view.

No. 647. ORDER THEREON, 20th March 1877, No. 1,164.

Miscellaneous.

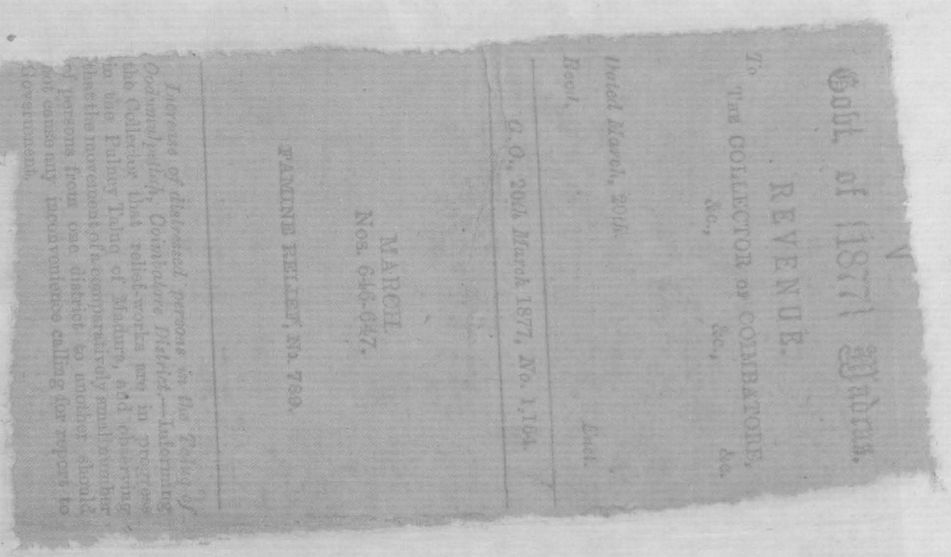

THE Collector of Coimbatore will be informed that relief-works are in progress in the Pulney Taluq of Madura. The movement of a comparatively small number of persons from one district to another should not cause any inconvenience calling for report to Government.
