Proceedings of the Madras Government, Revenue Department,
21st March 1877.

No. 660. Read the following Proceedings of the Board of Revenue, dated 21st February 1877, No. 750 :-

Read the following Proceedings of the Madras Government, dated 15th January 1877, No. 137, Revenue Department.

ABSTRACT.—Declining to press the question of levying fees on all packages passed by the Consular Agent in South Arcot, and requesting Board to report whether Major Sherman's proposition can be adopted without fraud, &c.

MAJOR Sherman proposes to pass such goods only as are invariably packed in cases, and considers that no fraud is possible and no extra establishment required. The Board are, however, decidedly of opinion that the goods should be sent to the frontier in charge of peons, to obviate risk of the cases being tampered with in transit; further, a considerable amount of extra work will probably be entailed by the new arrangement, and the establishment specified in the Government Order is not in excess of requirements. The Collector will, as authorized by Government, entertain four peons on Rupees 8 per month, and indent for the scales required. The rules proposed by Mr. Garstin and approved by the Board should be duly observed.

ON reflection the Governor in Council is of opinion that the remark of the Board of Revenue, paragraph 2 of their Proceedings, 26th December, No. 3,290, indicates the correct course to be pursued; and they resolve to accept it.

I had not seen any of these papers before - I think the proposal to waive the fees objectionable - I think the extension of the powers of Commissioners also undesirable -

The same principle must apply to Municipal Collectors - Fees found in enjoyment in practice going to both Board & Incumbent - I should say as Members do not choose to pay fees - the arrangements will stand - Bal - 19/3
