No. 750. Read the following letter from C. MACZULAY, Esq., Officiating Assistant Secretary to the Government of Bengal, (General Department—Marine,) to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Madras, dated Calcutta, 14th March 1877, No. 754:—

With reference to this Government letter, No. 2,527, of the 12th September 1876, submitting an indent for 60 tons of Amindivi coir for the Marine Department of this Presidency, I am directed to forward, for the information of His Excellency the Governor of Madras, a copy of a letter from the Officiating Deputy Master Attendant in charge, Calcutta, No. 909, of the 6th March 1877, reporting that, owing to the Bill of Lading having reached him long after the arrival of the coir, of which he knew nothing, the British India Steam Navigation Company have called upon him to pay Rs. 166-12-6, being the godown-hire and landing charges for the coir.

ENCLOSURE No. 1.

From F. WARDEN, Esq., Officiating Deputy Master Attendant in charge, to the Secretary to the Government of Bengal, Revenue Department, dated Kidderpore, 6th March 1877, No. 909.

With reference to my letter, No. 6,839, of the 7th September 1876, I have the honor to state, for the information of His Honor the Lieutenant-Governor, that from a Bill of Lading that was forwarded to me by the Collector of South Canara, it would appear that 1,630 bundles of coir-yarn in part of my requisition were shipped on the British India Steam Navigation Company's Steamer *Puttiala* on the 12th December last, but no letter of advice and Bill of Lading reached me till the 30th January last, they having only been despatched on the 16th idem.

2. In the meantime the *Puttiala* arrived in Calcutta, and, in consequence of delivery not having been asked, the coir was landed and stored in the godowns of the British India Steam Navigation Company.

3. On my receiving the Bill of Lading no time was lost in applying for the coir, but its delivery was refused till a charge of Rs. 166-12-6 preferred for godown-hire and landing charges were paid. I objected to the payment on the ground that notice was not given when the coir arrived, but Messrs. Mackinnon, Mackenzie and Company state that they would gladly have done so had they known it was consigned to this department.

4. Had timely notice been received from the Collector of South Canara this extra expense would not have been incurred.

5. I beg to solicit orders regarding the adjustment of the account.
