*Proceedings of the Madras Government, Revenue Department,
23rd March 1877.*

Famine Relief.

No. 762. Read the following Proceedings of the Board of Revenue; dated 15th March 1877, No. 1,185 :—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 5th March 1877, No. 162.

I HAVE the honor to enclose, for sanction, an estimate, specification, and report, amounting to Rupees 6,630, for the supply of metal to the Madras Road in the Sidhout Range, and to recommend that, if it is passed, it should be executed as a Famine Relief work.

2. My object in sending up this and other like estimates is to be ready to meet distress, if it should continue, by having work at hand. I do not propose to go on with everything sanctioned, but as I get rid of the new roads now under execution, and which could not be stopped without much loss, to take up what I consider more useful and suitable work.

3. I have strictly forbidden the commencement of any new road without previous sanction, and I shall allow none, even though the estimate may be within Rupees 2,000, to be put in hand without first addressing the Board on the subject.

ENCLOSURE No. 1.—Estimate.

ENCLOSURE No. 2.—Report.

ENCLOSURE No. 3.—Specification.

SANCTIONED, but the Board hope that the Acting Collector in getting new estimates ready is not losing sight of the necessity of estimating for works already in progress.

No. 763. ORDER THEREON, 23rd March 1877, No. 1,209.

Miscellaneous.

THE Collector's particular attention is called to the fact that the Government are most anxious to transfer as many of the able-bodied laborers on the Cuddapah relief-works, as possible, to the East Coast Canal.

2. No new work should be opened, if such a course can be avoided without danger, until the numbers transferred to the East Coast Canal have reached the limit pointed out in G.O., 7th March 1877, No. 967.
