Famine Relief.

No. 768. Read the following Proceedings of the Board of Revenue, dated 14th March 1877, No. 1,170:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Melagaram, 26th February 1877, No. 133.

CERTAIN landholders of entire Inam villages have applied to me for loans under the Land Improvement Act for improving the tanks and ponds in their villages and for sinking wells in their estates with a view to enable them to give their tenants work during this season of distress and to prevent them from emigrating.

2. The amounts asked for exceed Rupees 200 as will be seen from the note in the margin. As this is a fit opportunity for encouraging these persons to improve their tanks and other works, I have the honor to recommend that the sums asked for may be granted from Relief Funds to be repaid with the usual interest secured as the Act provides. It has been ascertained that their property is not encumbered.
