Proceedings of the Madras Government, Revenue Department,
24th March 1877.

No. 776. Read the following Proceedings of the Board of Revenue, dated 17th March 1877 :—

Read the following letter from H. ST. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Vizagapatam, 5th March 1877, No. 263.

I HAVE the honor to forward, herewith, duly checked and countersigned by the District Engineer, plan and estimate, amounting to Rupees 7,912, for extending the salt-pans at Kanada, and to request that you will be so good as to obtain the sanction of Government for the same.

2. In the revised list of original salt works for the current year a sum of Rupees 7,000 has been sanctioned for the work. The quantity of salt manufactured at Kanada not being sufficient to meet the local demand, it is proposed to extend the pans at present to the north.

3. As the official year is fast approaching to its close, and as no time can be lost in undertaking the work in question, I have directed the Salt Deputy Collector to proceed with the work up to the limit of the budget grant in anticipation of the sanction of the Board.

THE estimate will be submitted for the sanction of Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 23rd February 1877.

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 9th January 1877, No. 12:—

ADVERTING to Board's Proceedings, dated 26th July last, No. 6,333, Miscellaneous, I have the honor to state that both the houses therein referred to could be purchased.

2. As the owner of the house, now occupied by Colonel Moberly, demands the high price of Rupees 30,000 for his property, including however a large compound, and as Mr. Robertson himself prefers the other house known as "Fane's Bungalow" at the head of the Marmalong Bridge, for which the owner wanted Rupees 12,000, I requested the Superintending Engineer to furnish me with an estimate of its value and the cost of putting the same in thorough repair. I enclose copy of his letter, dated 23rd November last, No. 2,979, from which it will be observed that the value of the Bungalow, after deducting the cost of repairs necessary, is estimated at Rupees 11,440.

3. I heard from Mr. Robertson that not long since the house could have been purchased for about Rupees 6,000, but, as the owner is probably now aware of the valuation made by the Public Works Department, and considering the price at which houses have changed hands in the neighborhood, I offered a round sum of Rupees 8,000 for it in its present state; but the owner, Mrs. Johannes, declines to accept anything less than Rupees 12,000,—*vide* copy of her letter, dated the 9th ultimo, enclosed, though I have no doubt that the Public Works Department valuation would be accepted, and I will offer that sum should the Board authorize me to do so.

ENCLOSURE No. 1.

From Colonel F. J. MOBERLY, R. E., Superintending Engineer, Chingleput District, to R. W. BARLOW, Esq., Collector of the Chingleput District, dated Mount, 23rd November 1876, No. 2,979.

WITH reference to your letter, No. 392, dated 16th August 1876, and No. 475, dated 3rd October 1876, I have the honor to inform you that the approximate value of the building at the head of the Marmalong Bridge, now occupied by the Superintendent of Government Farms, and the probable cost of repairing the same are as follow:—

	Rs.
Amount of main building with out-houses and compound wall	16,370
Deduct amount for repairing the above	1,610
	14,760
Deduct again for wear and tear of materials for thirty years at ½ per cent. per annum	3,321
Net value	11,440

ENCLOSURE No. 2.

From Mrs. M. A. JOHANNES of Madras, to R. W. BARLOW, Esq., Collector of the Chingleput District, dated Madras, 9th December 1876.

WITH reference to your letter No. 536, dated the 2nd instant, regarding my Bungalow at the head of the Marmalong Bridge, Saidapet, and at present occupied by Mr. W. R. Robertson, and for which I have already written to you in my letter, dated 10th August last, I beg to state that I will take a round sum of Rupees twelve thousand (Rupees 12,000) free from stamp and other charges, and cannot accept any sum under Rupees 12,000 for the said premises.

At the same time, I have to say that the rattan mats and blinds, punkahs, and screen-doors are not included with the Bungalow.

(True Copy.)

(Signed) R. W. BARLOW,
Collector.

As the house required by Mr. Robertson on the Farm premises was found to be unsafe, the foundations having sunk owing to the building having been constructed on made soil, the Superintending Engineer was requested to furnish an estimate of the cost of reconstruction, and meanwhile the Bungalow near the Marmalong Bridge, known as Fane's Bungalow, was rented. The estimate for providing the Superintendent, Government Farms, with new quarters amounted to the large sum of Rupees 22,590, and as this was considered excessive, the Collector of Chingleput was requested to ascertain and report whether the house now occupied by Colonel Moberly, or Fane's Bungalow, could be purchased. Mr. Barlow now reports that the latter building has been valued by the Superintending Engineer at Rupees 11,440, and suggests that he should be authorized to offer that sum, the owner's price being Rupees 12,000. As the house is close to the Farm and the Assistant Superintendent, Mr. Benson, resides on the premises, the Board consider the purchase of Fane's Bungalow preferable to the construction of another house at double the cost, and they accordingly request sanction for the purchase at the price fixed by the Public Works Department, ample funds being available.
