*Proceedings of the Madras Government, Revenue Department,
24th March 1877.*

Famine Relief.

No. 789-A. Read the following letter from L. C. PROBYN, Esq., Accountant-General, Madras, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 16th March 1877, No. 944:—

With reference to the Proceedings of Government in the Revenue Department, dated the 10th instant, No. 1,026, directing that the cost of accommodation for cholera patients at Manantoddy in Malabar should be met from Famine Funds, I have the honor respectfully to point out that, though no precise orders have been received on the subject, it is understood that it is not the intention of the Government of India that such charges should be treated as famine. They appear legitimately to be either Provincial or Local Fund charges. I respectfully beg therefore, should His Grace the Governor in Council still be of opinion that they are debitable to famine, that the immediate orders of the Government of India may be obtained on the point.

No. 789-B. ORDER THEREON, 24th March 1877, No. 1,222-A.

Miscellaneous.

ORDERED that the following letter be despatched to the Government of India:—
