Famine Relief

No. 791-A.

- Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Ráidrug, 9th March 1877, No. 165.

I HAVE the honor to forward copy of an extract from a letter, No. 30, dated the 21st ultimo, from the Deputy Collector, Harpunhally Division, stating that he has issued orders that some of the grain (cholum) which is stored at the depôt at Hospett may be used for the Relief kitchens, as the grain is deteriorating.

2. As our orders are not to use our stocks of grain which are held in reserve at all, I have the honor to request sanction to the order given by the Deputy Collector, as it is better to use the grain and then replace it by fresh purchases than to run the risk of its being destroyed by insects.

ENCLOSURE No. 1.

From V. VENCATACHELLUM, Deputy Collector, to J. H. MASTER, Esq., Collector of Bellary, dated Hospett, 21st February 1877, No. 96.

2. I beg to enclose a copy of an Arzi from the Tahsildar of Hospett, dated 20th instant, No. 203, reporting that the cholera which was purchased here, and which is kept in bags, is deteriorating, and of the order issued by me on it directing him to put the bags in the sun, and to disburse from the store the cholera required for the use of the poor-house instead of purchasing in the market. After a part of the present stock is expended I will fill it up by purchasing it from the market.
