GOVERNMENT OF MADRAS,
FINANCIAL DEPARTMENT.

13th February 1877, No. 549.

Famine Relief.

Read the following paper:—

No. 251. *From Major F. J. HICKS, Government Grain Agent, Bellary, to the Chief Secretary to Government, dated Bellary, 10th February 1877, No. 220.*

The Collector of Kurnool and other District Officers have asked me to receive and carry for them to various places beam scales and weights, tools and such Government stores.

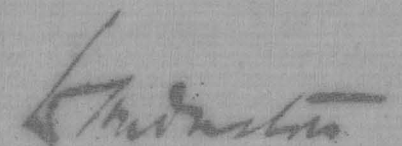

2. This I have arranged to do by my contract carts by private agreement with my contractors, and the agreement has been, I think, very convenient to District Officers; but as these sort of applications for my aid are now on the increase, I have the honor to request instructions as to whether I should charge District Officers for the carriage of such articles, or adjust the charges myself and send a separate account of such transactions, keeping them, of course, quite distinct from the charges incurred for the transport of grain.

No. 252. *ORDER THEREON, 13th February 1877, No. 549.*

Major Hicks is authorized to make the payments himself if necessary, or customary to make payment in advance, in whole or in part. Part payment on delivery would seem to be a proper precaution.

2. The charges will, of course, be debited to the districts and officers concerned.
