*Proceedings of the Madras Government, Revenue Department,*
*13th January 1877*

No 277 Read the following Proceedings of the Board of Revenue, dated 9th January 1877 —

Read the following letter from J H MASTER, Esq , Collector of Bellary, to H E STOKES, Esq , Acting Secretary to the Board of Revenue (through G Thornhill, Esq , 1st Member, Board of Revenue, Cuddapah), dated Bellary, 6th January 1877, No 8

To assist Mr Price in registering coolies for despatch to Nellore and for general duty under that officer I have found it absolutely necessary to appoint another officer, and have accordingly selected a young man, Mr Guy Lawford, on a salary, to commence with, of Rupees 150 per mensem

2 Although his pay is small, this gentleman must be included amongst "officers of a superior grade" employed on famine works, and I therefore solicit the sanction of Government for his nomination Horse allowance should also be allowed, as he will have also to superintend all the works which will be put in hand within the station of Bellary, and the area is very extensive

This appointment was made in communication with me It was necessary to have some one to look after these coolies Mr Price had been obliged to devote some hours daily to the work to the detriment of far more important duties

2 The coolies were ordered to be detained in Bellary and had to be provided with work
