PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter. Pro-

-ceedings of Government, Military Dept,
dated 17th February 1877, N^o 910.

Read the following Papers.

Memo from the Financial Department,
N^o 268, dated 6th February 1877.

From the Quarter Master
General to the Secretary to Government,
Military Department, dated Fort St George,
16th February 1877, N^o 1216.

In returning official memo-
randum N^o 268, dated 6th instant, from
the Chief Secretary to Government, referred
to the Commander-in-Chief under your
N^o 709, dated 7th idem, I have the honor
by order, to annex extract from a letter
from the Commandant "Queen's Own" Sappers
and Miners.

2. The remaining portion of the E. Co. Sappers and Miners or any number from it that may be required are available for despatch to the Ceded Districts. If the Head Quarters of the Company could be placed at Bellary it would perhaps be best to do so.

Extract from a letter from the Commandant, "Queen's Own" Sappers and Miners, to the Asst. Quarter Master Genl., Mysore Division, No 136, dated 10th February 1877.

Sir,
I have the honor, with reference to your docket No 93, dated 9th Feb. - brary 1877 and enclosures shown in the margin (herewith returned) to report for the information of the Major General Commanding the Division, that Detach^{ment} No 1007 of 8th Feb 1877, from the 2nd Mr Genl. to the Officer Comd. Mysore Sappers Division.

Sappers and Miners have been sent as follows on famine relief works to

	Headquarters	Naigues	Privates
Bellary	"	2	8
Hurnool	"	2	10
Cuddapah	"	2	10
Madras	1	"	11

and that there remains of that Company at Head Quarters.

Captain	Subaltern	Junior	Headquarters	Naigues	Privates	Boys
1	1	1	3	2	66	1

who are available if required for famine relief works in the Ceded Districts.

II. I have received no information from the Collectors of Bellary, Hurnool and Cuddapah as regards the employment of the men on these works, but I hope to hear from them in a few days as I wrote on the 5th instant to enquire whether the Sappers were working well, how they were employed; and whether they were

were taken care of so far as possible.
hitherto all I have heard from their
employers is that 2 sappers have
died of cholera in the Bellary Dist.

III. Under these circumstances, and
as I have not been informed in what
way the sappers, whom it is intended
to send to the Ceded Districts will
be employed, I am unable to state what
arrangements could most advantageously
be made for the Head Quarters of
the "E." Company.
