*Proceedings of the Madras Government, Revenue Department,
28th March 1877.*

Famine Relief.

No. 873A. Read the following Proceedings of the Board of Revenue, dated 21st March 1877, No. 1,277 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 19th March 1877, No. 1,277.

I HAVE the honor to enclose an estimate, amounting to Rupees 6,000, for dismantling and levelling the fort walls at Darampury received from Major Baynes, and to request that the Board of Revenue will accord their early sanction to the same and return it. Work which will employ a large number is much wanted in the Darampury Taluq, the most distressed in the district, and the work in question has been taken up at my suggestion, as the major work proposed for the Darampury Taluq (Sangambasavan project) has been declared by the District Engineer "not to be sufficiently matured" to be taken up as a relief-work. The levelling of fort walls is a work peculiarly adapted as a relief-work, and I have proposed to level the fort walls in one or two other places, for which estimates will be submitted soon for the sanction of the Board of Revenue.
