*Proceedings of the Madras Government, Revenue Department,
13th January 1877.*

No. 281. Read the following Official Memorandum from the Chief Secretary to Government, Financial Department, Fort St. George, dated 12th January 1877, No. 72:—

With reference to his original forecast of grain requirements for the East Coast Canal Relief Works, the District Engineer, Nellore, is requested to forward, as speedily as possible a revised estimate of monthly requirements at each Coast Centre for importing grain, with full explanation of the method adopted for paying the coolies—

e.g. Whether in grain or money, and rates of either.

— Whether direct or to contractors for gangs.

— Whether coolies look to contractors for grain or to Government Stores, or to private traders;

if to contractors, on whom do these rely for procuring supply—on Government or on private trade.

Is private trade active and reliable. Are private imports by sea of material extent.

What stock of Government rice is now in Public Works Officers' hands.

What stock assumed to be in Collector's and Revenue Officers' hands.

What is the existing demand on the stocks.
