Proceedings of the Madras Government, Revenue Department,
13th January 1877.

No. 283. Read the following Proceedings of the Court of Wards, dated 11th January 1877:—

Read the following letter from J. G. HORSFALL, Esq., Acting Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Court of Wards, dated 5th December 1876, No. 171.

I HAVE the honor to request the Court's sanction for the temporary employment of two Sub-Overseers on Rupees 40* each for the Estates of Bodinaikenur and Guntamanaikenur. Their entertainment is absolutely necessary for carrying out works that are intended to be vigorously prosecuted in these estates, and with a view to alleviate the distressed classes of people in this disastrous season, I have employed them in anticipation of the Court's sanction. There is one Joint-Overseer for these estates, and I find it will be impossible for him to supervise efficiently all the works it is proposed to carry out without loss of time.

* With the usual travelling allowance.

2. In my recent inspection of the Bodinaikenur Estate, I found that many works are left incomplete which have been in the hands of contractors for years, and have accordingly cancelled such contracts and directed the completion of these works by the Overseer departmentally. I propose also to expend upon the town streets the allotment of Rupees 3,000 provided in this year's budget. The town I found in a filthy state, and have directed steps to be taken for its better conservancy and the removal from the streets of a great deal of the filth that is accumulated there.

3. I have already, in my letter No. 166, of the 28th November 1876, furnished the Court with a list of new works to be executed in the Guntamanaikenur Estate amounting to upwards of 12,000 Rupees, and now beg to add another work to this list amounting to Rupees 435, for which I request the Court's sanction.

† Repairing Paracadavoo Vaikal in Bodinaikenur.

4. The works are all beneficial to the estates concerned, and by being vigorously pushed forward at the present time will afford relief to the laboring classes; and it is on this account that I need the temporary employment of two Sub-Overseers.

THE Collector's proposal to entertain two temporary Sub-Overseers on Rupees 40 with travelling allowance for the Bodinaikenur and Guntamanaikenur Estates is sanctioned, as the estates are well able to bear the charge. The Court also sanction the additional work proposed at a cost of Rupees 435. Estimates for the works referred to at paragraph 3 should have been submitted.

2. A portion of the accumulations to credit of these estates might well be spent on their improvement, and the Collector should submit further proposals.
