Famine Relief.

No. 930-A. Read the following letter from L. C. PROBYN, Esq., Accountant-General, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Fort St. George, 16th March 1877, No. 941:—

With reference to the Proceedings of Government in the Revenue Department, No. 1,116, dated 23th ultimo, sanctioning, subject to audit by this office, the two bills submitted by the Board of Revenue for the travelling allowance of their Sheristadar and the Accountant and Peon who lately accompanied him to Cuddapah, I have the honor to draw the attention of Government to the Orders of the Government of India, dated the 21st July 1869, No. 2,154, Financial, declining to extend to the servants on the Board's establishment the rates of travelling allowance, &c., granted to the members of the establishment of the Director of Revenue Settlement, and respectfully to request that His Grace the Governor in Council will be pleased to refer the present case to the Government of India and obtain their orders as to the rates of travelling allowance and batta admissible to the members of the Board's establishment generally and to their Sheristadar in particular. It is, I beg to submit, manifestly incorrect that he should draw batta at three-tenths salary, or Rupees 300 a month, a rate higher than that admissible to many other officers.

2. The payment of the Sheristadar's bill has been deferred, pending the orders of the Supreme Government; but the Accountant and the Peon have been allowed railway fare and batta under the general rules, viz., third-class fare and three-tenths salary, and 1 Anna a day respectively.
