*Proceedings of the Madras Government, Revenue Department,  
31st March 1877.*

No. 929. Read the following Proceedings of the Board of Revenue, dated 16th March 1877, Miscellaneous No. 3,898:—

Read the following letter from the Senior Assistant Collector, the Collector of Ganjam, dated Berhampore, 10th February 1877, No. 40.

I HAVE the honor to inform you that on the 1st January 1877 of Gourvanka, near Itchapore, was, with the exception of two houses belonging to old Bodada Byragi and four houses in the Pariah Street, burned down. The Deputy Tahsildar estimates the loss incurred by the villagers at Rs. 2,000; they themselves at Rs. 7,000. The ryots have presented a petition praying that, as in the case of Chicacole, something may be done for them. I do not, however, well see how Government can do any thing in the way of assistance.

SUBMITTED for the consideration and orders of the Board of Revenue.

2. The village originally contained 239 houses, and has a population of 1,429 persons.

3. I am not aware whether there is any precedent for assistance being rendered by Government in such a case. A grant of Rs. 1,000 would, however, go some way to help the people to rebuild their houses.

(Signed) P. W. MOORE,  
SEMNIABADI,  
19th February 1877.  
Assistant Collector, for Collector.

SUBMITTED for the favorable consideration and orders of Government.

2. The destruction of the village has been almost complete. 236 houses out of 239 having apparently been destroyed by fire, the Collector recommends a grant of Rs. 1,000 to assist the villagers in rebuilding their houses, and the Board support the proposal. Similar grants have been sanctioned in G.Os., dated 21st August 1876, No. 1,142, and 20th November 1876, No. 1,723. In the case recorded in G.O., dated 23rd February 1877, No. 797, the assistance rendered by Government took the form of small loans without interest. The charge can be met from savings under Land-revenue, Miscellaneous.
