*Proceedings of the Madras Government, Revenue Department,
31st March 1877.*

Famine Relief.

No. 939. Read the following Endorsement of the Officiating Chief Secretary to Government, Fort St. George, dated 27th March 1877, No. 730 :—

Read the following letter from Surgeon-Major W. R. CORNISH, F.R.C.S., Sanitary Commissioner for Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madanapully, 24th March 1877.

With reference to the Order of Government as per margin, paragraph 2, I have

the honor to state that in recommending a standard scale of grain for the dietaries of relief camps, I took as the basis of the recommendation the scale of grain-food allowance for non-laboring prisoners in jails, as proved by experience to be suitable for non-laborers.

2. The weight of grain given in the Madras camps is slightly higher ($\frac{1}{4}$ lb. in excess) than the quantity usually allowed for non-laboring prisoners; and I recommended the reduction more on grounds of general policy than because I thought the food was in excess of requirements. It seemed to me that so long as the Madras camps were supplied with a dietary, a trifle more attractive than the standard scales for outside camps, that the tendency would be to draw people from the Presidency. The inconvenience of this flocking in of destitute to give the people of the districts no excuse for leaving their own relief camps to be fed in Madras.

TRANSFERRED to the Revenue (Famine) Department, the order referred to being in that department.

(Signed) D. F. CARMICHAEL,
Offg. Chief Secretary.

No. 940. ORDER THEREON, 31st March 1877, No. 1,285.

Miscellaneous.

UNDER the explanation now offered by the Sanitary Commissioner, His Grace the Governor in Council approves the reduction of the scale of diet in force at the Red Hills and Madras camps to the same scale as that sanctioned for other relief camps in G.O. of the 20th March 1877, No. 1,159.

(True Extract.)
