Proceedings of the Madras Government, Revenue Department,
2nd April 1877.

Famine Relief.

No. 5A. Read the following Proceedings of the Board of Revenue, dated 16th March 1877, No. 1,197 :—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Rajampett, 7th March 1877, Extra No. 201 :—

I HAVE the honor to request that the Board of Revenue will be good enough to procure sanction for the undermentioned charges on Famine Funds :—

(1.) The appointment of eleven Gumastahs (one for each taluq) to aid in work connected with famine relief.

(2.) The payment of Rupees 3 per mensem to each kattubadi employed (two for each) in guarding reserve grain depôts in this district.

2. As regards the first item, the writing and correspondence connected with famine relief is daily becoming heavier. In the taluqs the revenue returns, &c., have to be made up just as if nothing was going on ; there is a great increase in magisterial business and in accounts correspondence, and the preparations for the jamabandi are in progress. Extra aid is much needed, and I trust, therefore, that I may be granted that for which I ask.

3. In respect to the second item, I would observe that, although the kattubadis have Inams for Police service, such service does not involve being on duty day and night and the responsibilities connected with being in charge of a large store of grain. The Inams are, as a rule, waste, and the men, if set to guard the depôts, cannot get away to earn a livelihood elsewhere. I think it, therefore, but fair that they should, in this instance, receive some remuneration from the State.

SUBMITTED for the sanction of Government.

2. The Board support both the Collector's proposals. The rate of pay to the Gumastahs is not stated. The Board presume that the usual rate of Rupees 15 with famine batta will be given.
