I HAVE the honor to transmit a rough estimate, prepared by the Public Works Department, and amounting to Rupees 6,600, for the gravel and earth-work necessary for the completion of the road from Porumamilla to Kalasapad, in the Budwail Taluq, and to request that the Board will be pleased to sanction the execution of the same.

3. I therefore request the early orders of the Board upon the subject.

THE Board are of opinion that new works should not be commenced in Budwail, but that the coolies should be drafted to the East-Coast Canal.
