No. 83. Read the following Proceedings of the Board of Revenue, dated 6th February 1877, No. 493 :—

Read the following :—

Proceedings of the Madras Government, dated 23rd November 1876, No. 1,768, Revenue Department.

Proceedings of the Board of Revenue, dated 9th November 1876, Miscellaneous No. 9,658.

Proceedings of the Madras Government, Revenue Department, dated 11th October 1876, No. 1,453.

THE Press Receipts are duly taken into account in arriving at the annual out-turn of the work and profit realized. The slight differences between Statements Nos. 1 and 2 are mainly due to certain collections made on account of private advertisements published in the District Gazettes being shown under "District Gazettes" in Statement No. 1, while they are shown under private work in Statement No. 2. In future Collectors have been requested to show the receipts,

Board's Proceedings, 26th April 1876, No. 1,105. account of private advertisements published in the District Gazettes under private work in both the statements, so that there may be two. As figures stood for 1874-75, the difference between the two statements was only Rs. 172.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 26th April 1876.

Read the following letters:—

From W. S. FOSTER, Esq., Acting Collector of Kurnool, to C. A. GALTON, Esq.,
Acting Secretary to the Board of Revenue, dated 29th March 1876,
No. 139.

With reference to paragraph 9 of the Board's Proceedings, No. 248, dated 28th January 1876, I have the honor to state that the difference between the amounts entered against private work in the statements referred to is due to the value of private advertisements inserted in the Gazette being included under the item of "District Gazette," and consequently omitted from "private work" in the Comparative Statement No. 1.

2. The actual value of the private work done was Rupees 95, but of this Rupees 32 worth of work consisted of advertisements in the District Gazette, and this amount being included under Gazette Work, the remainder (Rupees 63) was shown as private.

From H. W. BLISS, Esq., Acting Collector of Madura, to C. A. GALTON, Esq.,
Acting Secretary to the Board of Revenue, dated 22nd March 1873, No. 113.

With reference to paragraph 9 of the Board's Proceedings, No. 246, dated 28th January last, I have the honor to state that the value of private work, viz. Rupees 469, shown in Statement E includes Rupees 147, the charges paid for private advertisements published in the District Gazette. As the latter sum was included in the District Gazettes entered in Statement No. 1, it was not added to the item "private work" in that statement to prevent double entry.

THE receipts on account of private advertisements published in the District Gazettes should appear under "private work" in both the Statements No. 1 and E.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 6th February 1877.

Read the following:—

Proceedings of the Madras Government, dated 23rd November 1876, No. 1,768, Revenue Department.

Proceedings of the Board of Revenue, dated 9th November 1876, Miscellaneous No. 2,658:—

Proceedings of the Madras Government, Revenue Department, dated 11th October 1876, No. 1,453.

ABSTRACT.—Passing orders on Board's Proceedings requesting instructions regarding the method of calculating the profit of District Presses.

THE work done for private individuals is valued at the same rates as those at which they are actually charged, and no fictitious rates are adopted. The Board meant only to represent that in calculating the profit the actual receipts need not be deducted from the charges as suggested by Government in paragraph 5 of G.O., dated 27th May 1876, No. 697, since the amount entered as the total value of the work done includes the receipts on account of work executed for private individuals, and the charges are deducted from the total value.

ORDER THEREON, 23rd November 1876, No. 1,768.

Miscellaneous.

If the receipts are duly taken into account in calculating the profits, the course now followed may be adhered to; but the Government doubt whether *all* the receipts are duly included in the value of work shown as turned out. Statements I and II submitted with Board's Press Report do not furnish this information. The Board will state how far agreement between the two accounts can be secured; the object of the inquiry made by Government being to ensure that the Press Receipts are not ignored in arriving at the annual outturn of work and the profit realized.
