*Proceedings of the Madras Government, Revenue Department,
4th April 1877.*

No. 96. Read the following Proceedings of the Board of Revenue, dated 22nd March 1877 :—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Tanjore, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 14th March 1877, No. 1,003.

In paragraph 9 of Mr. Thomas' letter, dated 21st November 1876, No. 4,190, printed in Board's Proceedings of the 24th idem, No. 2,960, application was made for the grant of remissions on the dry lands in the parts of the district generally

patam Taluqs.

known as Kadarambam, or those parts*
of it beyond the influence of river irri-
gation, but this did not include lands
termed "Manavary Nunjah," or those

cultivated entirely by means of falling rains, as such lands come under the head
"Wet" in the Jamabundy accounts, though virtually they are dry. The practice
in this district in regard to the grant of remissions for these lands seems to be to
apply for the Board's sanction therefor just as in the case of "dry." As these
lands are reported to have suffered from the peculiar circumstances of the present
season equally with dry lands, I have the honor to request that the Board will be

be pleased to extend to the sanction
granted† in the case of dry, that is,

† In the Board's Proceedings above quoted.

SANCTIONED, subject to the restrictions laid down in Board's Proceedings, 1st
March 1877, No. 941, as to the grant of remissions generally in the present season.

2. From the table given in the margin of paragraph 2, Board's Proceedings,
21st September 1876, No. 2,395, the Board note that these lands are 31,865 acres,
assessed at Rs. 49,398. The maximum remission will therefore be Rs. 12,350.
